KEEP IT PERSONAL, MAKE IT *Exceptional*

Our story is infused with heritage, flavor, and a devotion to quality that's been passed down generation to generation, family to family — and now, business to business.

It all began in 1947 as a local market on the artisan-filled streets of Sicily, Italy, where we established a profound love for helping others discover incredible food.

Eventually, we migrated from our homeland to another ambitious, sun-drenched locale: the California coast. Today, we're honored to be a trusted partner bringing mass market and small-batch items that are also natural and organic to chefs, restaurateurs, grocers, shop owners, and foodies throughout the Golden state and beyond.

OUR INTENTIONS ARE PURE AND OUR MISSION IS SIMPLE:

*keep it personal, make it exceptional.*

The Troia logo is a white vertical banner with the word "TROIA" in orange, uppercase letters. The banner has a small white triangle at the top and bottom, giving it a ribbon-like appearance.

TROIA

The background of the entire page is a top-down view of several pink raspberry popsicles on wooden sticks, scattered on a white marble surface. Some raspberries are whole, while others are crushed and mixed into the pink ice cream.
